

Demonstration of the Lecture on the Degree of Mark Master Mason.

At the conclusion of every Advancement Ceremony, the candidate is advised that “on some future occasion your attention will be directed to a Lecture”.

Often, this is a long wait, either because of busy Agendas or perhaps if there is no-one within the Lodge who can deliver the Lecture.

If your Lodge has not presented the lecture to new members for some time, I may be able to help you out.

I have presented the Lecture to just over half of the Lodges in the Province and these have been well received. The lecture is demonstrated, rather than being read from a lectern, and takes about twenty minutes to deliver. No fees are involved, other than I will encourage you to donate the proceeds of the evening’s raffle to the BeMBA !!

If you see this as an opportunity for your Lodge, please contact me via hanscombe@tiscali.co.uk

Hugh Ranscombe.
